

MEMORANDUM OF UNDERSTANDING
BETWEEN
STATE POLYTECHNIC OF JEMBER, EAST JABA-INDONESIA
AND
KYUNGWOON UNIVERSITY, Republic of Korea

~~Nomer : 1709/PL17/KS/2024~~

STATE POLYTECHNIC OF JEMBER, located in Jember, East Java-Indonesia, is hereinafter referred to as "POLIJE" and **KYUNGWOON UNIVERSITY**, located at 730 Gangdong-ro, Sandong-myeon, Gumi-si, Gyeongsangbuk-do, South Korea, is hereinafter referred to as "KW."

KW is a prestigious private higher education institution founded in 1997. It is duly recognized and fully accredited by the Ministry of Education of the Republic of Korea, reflecting the institution's unwavering adherence to national standards and commitment to educational quality. KW provides a comprehensive range of courses and academic programs in diverse fields of study, and it prepares students for successful careers by fostering intellectual and personal growth.

POLIJE is a major technical university located in Jember, Indonesia. Established in 1983, the university focuses on vocational education in fields such as engineering, business, and agriculture. It has also strengthened industrial partnerships and internship programs to better prepare students for the job market. To address the challenges of human resource and science and technology development, POLIJE has set the vision for the period 2020-2035 as being an excellent State Polytechnic in Asia in 2035.

POLIJE and KW agree to establish a formal framework of cooperation as follows:

1. Each party will endeavor to take the necessary steps to encourage and promote collaboration in the following areas:
 - a) Exchange of students and faculty in both long-term and short-term education programs,
 - b) Exchange of Industry-University Collaboration,
 - c) Indonesia and South Korea Vocational Training and Education, practical and demand driven education required by local industries.
 - d) Collaborative research on educational development and other relevant topics,
 - e) Webinars, forums, seminars, and conferences,
 - f) Joint development of online/offline/ hybrid learning platform and sharing contents,
 - g) Professional development and expert exchange programs,
 - h) Building inter-university communication and cooperation systems

(i.e. core campus system, Campus in Campus)

- i) Any other areas of cooperation to be mutually agreed upon by the parties.

2. This MOU shall be in force for three years and shall be subject to revision or extension by mutual agreement.
3. This MOU may be terminated by either party by written notice of no less than six months prior to the desired termination date.
4. This MOU shall come into effect from the last date of signing. Each party shall retain one copy with both signatures.
